RE: **Mumby Manufacturing Ltd & Northland Recreation Supply**

Letter of Recommendation

On behalf of the South East Cornerstone Public School Division – Operations Sector, I would write this letter of recommendation for Mumby Manufacturing Ltd & Northland Recreation Supply based the planning, design, and hard work in helping the SECPSD on our new school project playground.

SECPSD was tasked with having to remove and relocate play structures of varying sizes and age groups from 3 schools in Weyburn to the new Legacy Park Elementary School in Weyburn and the planning and expertise provided by Mumby / Northland was invaluable.

Jerome and his crew reviewed all equipment to be relocated, developed a plan for removal, design the layout of equipment in the 3 play areas at the new school and expertly installed the structures in their new home.

The large quantity of structures were all able to be relocated within 3 weeks between his crew and the assistance of our maintenance staff in a very timely manner.

I highly recommend Mumby Manufacturing Ltd & Northland Recreation Supply for use regarding playground relocation, installation, and equipment supply. They were also the suppliers of our new bike racks and outdoor picnic tables for the project.

I found the process and work with Jerome and Meegan to be efficient and all flow very smoothly.

The SECPSD will definitely use them again in any of our future projects!

Respectfully,

A handwritten signature in blue ink, appearing to be 'JS' with a stylized flourish.

Jim Swyryda
Facilities Operations Supervisor
S E Cornerstone Public School Division #209
